Monica,

Next week Monday (except 11:30 to 1 pm) and Tuesday (except 10-12:30 and 2-3) works for us. We can do Friday this week if next week doesn't work, but next week gives us a little more time for review.

Also, include just Stephen Maurano and myself, not Matt.

Thank you,
Brian Thompson

Sounds good to me. Here is a copy of the report, in case someone doesn't have it. Let me check my schedule and that of my supervisor, Meredith Howard, and get back to you on some potential times.

Walter, Matt, and Brian,

NMFS would like to schedule a conference call to coordinate on the Board's Thermal Exposure document. Please provide me with your availability for the next two weeks.

Thank you!
